Passamack

This license is issued pursuant to the inherent rights of the Passamaquoddy Tribe as secured under various treaties and federal law, and as implemented through the Tribe's Fisheries Management Plan Governing Salt Water Hunting, Fishing and Gathering.

Upon acceptance of this license/permit the above named tribal member is authorized to engage in the commercial taking of Glass Eels in accordance with the Passamaquoddy Joint Tribal Council Fisheries Management Plan; Part 5 American Eel Management. By signing the application for this license/permit, the tribal member to whom this permit has been issued, acknowledges their responsibility to report landings and to submit inspection by a Law Enforcement Officer of any container(s), equipment, motor vehicle or other conveyance used or deployed in aid to the possession, storage or transport of any American Eels.
